

We would like to introduce ourselves: we are a family, Dario and Lucia and our daughters: Chiara, Elena and Anna Lisa.

Custoza is a small village with morainic origins, theatre of battles for Italy independence in the 19th century (1st and 3rd independence war, 1848 and 1866), famous for wine and agriculture.

Our farm is 6 hectare wide, situated on Custoza's hills, we produce great DOC grapes (guaranteed origin denomination, VQPRO) Custoza and Bardolino.

Since 1994 we've started our holidays farm activities, that we lead with deep feeling for hospitality.

When you will arrive here you'll be surprised for the marvellous view: from our home, alone on the top of the hill, you will see the "pianura padana" (biggest Italian lowland) without seeing the end.

We will host you in one of our four rooms (all with bathroom), perfectly adapted for single people or families.

We are in an ideal position to reach in short time your touristic destination, or the Catullo airport (Verona airport), or just to rest in a peaceful and quiet place, far away from the city traffic...

Every weekend, from March to December, our restaurant is open, (cooking is Lucia's strength), you'll taste traditional dishes, homemade with our products.

We are farmers, and we spend most part of the day working in the fields; our holidays farm was born just to let you take a contact with our world, made of simplicity and nature. **You're welcome, and we wait for you to come!**
